

# Cape Organ Guild

## NEWSLETTER

June 2009

Dear Member

With many musical events happening in the last couple of months we had to abandon our intended programme for May, but we have some interesting programmes lined up for you in the coming months.

This month, our President, Adv Deon Irish is inviting us to a *Cocktail Party* at his Home in Camps Bay. This will be on Wednesday week the 24<sup>th</sup> June at 6.30 in the evening. You are all invited, and there will be other people with musical interests whom we hope will take an interest in the activities of the Cape Organ Guild.

Deon's home address is **23 Hove Road, Camps Bay**.. If you are coming from Cape Town or Northern or Southern suburbs , make for Kloofnek (as if you were going to the Cable Car) carry straight over the nek into Camps Bay Drive, go right down almost to the bottom. As the road does a big bend to the right keep you eye open for Rottingdean Road but **don't** turn in there, take the next road to your left which is Houghton Road. Hove Road is then the first turning to the left off Houghton Road. Number 23 is on the curve on your left hand side. If you get lost phone me on my Cell 084 5872226.

We are hoping to organize a "Student concert" in July . If you were at the third Centenary Concert in St Georges Cathedral last week , you will know how good our young Student organists are!  
In August we are going to arrange a country tour to Breede River Valley (Montagu / Robertson area)

Looking forward to seeing on Wednesday week.  
Best Wishes

Jimmy Riadore (Hon. Secretary)
